
Title: *pages of journal*

Author: Dealthager

Translated Journal by
Velis

This text has been
translated from a
gargoyle's journal
following his capture
and subsequent
the crystal before clos
ing
the wound. If you extra
ct
the Galistrias node, yo
u
should have room for a
power crystal. If you f
eel
the drone is in need of
self awareness, then wi
re
the power crystal in th
e

hollw of the chest. You
'll
need several lengths of
copper, silver or gold
wire to run between the
two. Luckily the syrum
deadens the body's abil
ity
to feel pain, so you ca
n
just force it through a
ny

membranes that get in
the way.
